

Olympic Challenge

Challenge: After reading about Snowman Paul, create a snowboarder or a snow skier that can travel down the ramp. Once your skateboard is done, use the big block to create a ramp that your snowboard/skier can travel down.

Materials:

Tape as needed

pipe cleaners- (up to 3 per group)

Craft sticks- (2-4 per group)

After creating you snowboarder or skier, build a course with the big block to try out your Olympian.

You may work by yourself or with a small group.
